WAR DEPARTMENT
MILITARY INTELLIGENCE SERVICE
WASHINGTON

16 September, 1944.

MEMORANDUM TO INSTRUCTORS, PACIFIC MIRS:

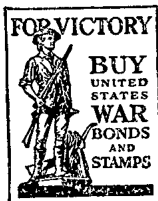

Subject: Training Program, MIRS.

1. Military Branch has assumed partial responsibility for the training of recently assigned officers and enlisted personnel of Pacific MIRS stationed at Camp Ritchie, Maryland. Certain selected personnel on duty in MIS, Washington, will be detailed on T/D to Camp Ritchie for the specific purpose of instructing Pacific MIRS in selected subjects.
2. A staff car will leave the Pentagon (Mall entrance) at about 1800 daily for Camp Ritchie, and will return the following day, leaving Camp Ritchie about 1600. 1st Lt. J. E. Hebbert will coordinate departure from Washington with the personnel concerned. Persons leaving for Camp Ritchie should eat their dinner prior to departure because they will arrive after the dining room closes. While at Camp Ritchie, personnel will stay at the Officers' Club, if space is available, or at the Officers' Barracks. The following day, they will eat their meals (breakfast and lunch) at the Officers' Club, returning to Washington in sufficient time for dinner.
3. Attached as Inclosure 1 is a list of the personnel assigned, their dates of departure for Ritchie, dates of departure from Ritchie, subjects and the time each subject will be taught.
4. Training aids may be taken in the staff car. Due consideration should be given their size, because large charts undoubtedly will not fit in the trunk where most training aids will have to be carried.
5. Upon arrival at Camp Ritchie, all personnel will sign in at Post Headquarters, then report to Major F. S. Gronich for assignment to quarters and instructions.

THOMAS B. ROELOFS,
Major, Infantry,

Plans and Training Officer.
